Summary

Why You Talk So White is a no-nonsense guide to finding success in one's life and career. Sylvia Henderson addresses common thoughts and behaviors that often hinder career advancement for the urban community. With tips on attitude, work ethic, use of language and dress, this guide is useful for people of any age and race. Advocating the use of proper grammar and diction, Henderson provides steps toward personal improvement and outlines the behaviors that represent professionalism.

About the Author

After graduating from the University of Pittsburgh with a Masters of Business Administration, Sylvia Henderson spent more than 25 years in human resource development and management positions for large corporations such as AOL, IBM and American Management Systems. Henderson is currently the Founder and CEO of Springboard Training, a business that conducts seminars and workshops promoting professionalism, work ethics and leadership.
